WARNING CONCERNING COPYRIGHT NOTICE:
The copyright law of the US (Title 17, USC) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries & archives are authorized to furnish a photocopy or reproduction. One of the specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use" that user may be liable for copyright infringement. This institution reserves the right to reject a photocopy order, if, in its judgement, fulfillment of the order would involve violations of copyright law.
